Meanwhile, the subject consignment will be allowed entry into India on provisional basis against a bond i.e. a legally binding undertaking as required. After examining the information so provided by the certifying agency, the Indian Customs Authority would take appropriate action to finalize the provisional assessment. Whenever considered necessary, request for a joint visit of the manufacturing facility may be made by the Indian Customs Authority, which would be facilitated by the concerned Nepalese authority within a period of thirty days.
8. Where for social and economic reasons, the import of an item into India is permitted only through public sector agencies or where the import of an item is prohibited under the Indian Trade control regulations, the Government of India will consider any request of the Government of Nepal for relaxation and may permit the import of such an item from Nepal in such a manner as may be found to be suitable.

VII. With reference to Article VII

This would be made effective from the date to be mutually agreed to, after which the Protocol to Article III would become redundant.

Both Contracting Parties agreed to develop modalities for transition from the existing to the new system.
